

Results of the ISA Board of Directors Elections

The ISA Board of Directors is an elected board of 15 directors. Eight of the director positions are voted upon by ISA members in a general election, and five of the director positions are filled by an election from within the ISA Council of Representatives. The President of the Board and President-Elect are each elected for their terms of office from within the Board of Directors by the current directors.

The terms for the following elected positions will begin in August 2017 in conjunction with the ISA Annual International Conference and Trade Show in Washington, DC, and will end in August 2020.

Elected by the ISA Membership:

Russ Carlson
