Brenda joined ISA in September as one of our accounting specialists.

## On a personal note:

Brenda is originally from Buffalo, N.Y., however, she has been in Atlanta for many years. Brenda loves outdoor activities such as camping, hiking and attending festivals. She loves spending time with her family, and cherishes the moments she gets to visit family in Florida.

Brenda has two children, a daughter and a son, who are both young adults. She also has a furbaby, Vader, who is an amazing German shephard.

Chericka joined our team in September as our educational products and services support specialist.
