

Team Member Introductions

Each month, our goal is to introduce a few of our amazing new team members through ISA Today. So, keep an eye out for the latest edition.

Roger Bell,
Examinations Manager

On a personal note:

Roger is an active outdoor enthusiast with several side interests. For the last 22 years, he has enjoyed grafting over 41 varieties of Japanese Maple Trees in every color and leaf shape imaginable.

Roger and his wife love to kayak, and are members of the Georgia River Network and Paddle Georgia. Having 70 acres of family land that is heavily forested, Roger is able to hone his woodworking skills to make live-edge tables and benches using wood that has been cleared from the land.

His favorite tool is the Husqvarna 395XP chainsaw, with a 42-inch bar, which complements his Alaskan chainsaw mill.

Tonya joins ISA with a long, solid history in professional meeting and event planning.

Since 2005, Tonya has been planning events for companies such as Omnience Events and the Kellen Company where she spent the last 8 years planning events. During her time with Kellen Company, she developed a passion for the association industry and working with volunteers.

Tonya Brown,
Event Planner

On a personal note:

Tonya has played the flute since she was 12 and still enjoys it today. She is a passionate writer, with a true knack for poetry. One day, she hopes to write her own novel.

We can all attest that Tonya also is an amazing baker, and makes the best red velvet whoopie pies on the planet.
